COAST TO COAST GEM ATLAS 5th Edition

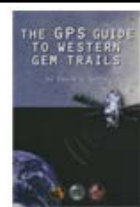

By Johnson, et. al. 60 pages, Softcover
A companion to the "Gold Diggers Atlas". Shows you by maps where gemstones as well as other important rocks (like agates) have been found around the U.S. (also shows locations of rock shops). I have used this book myself it's not bad.

MLS Part #: 901050 Price: \$11.50

The GPS Guide to Western Gem Trails

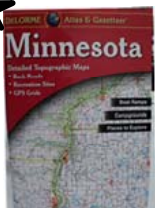

By David Kelty, 239 pages, B&W - Softcover
Over 1200 sites listed by GPS coordinates in the western states. Know how you use to get directions to a location; "Go down to the big sign on the left, turn right, go 8 or 10 miles, turn left at the big tree.....", NOT ANY MORE!!! Revised edition.

MLS Part #: 901600 Price: \$19.95

The "GAZETTEERS" Series

By Various, Approx 100 pages, Color - Softcover
Take a normal sized U.S. road atlas, now make it for only one state at a time. That's what the "Gazetteer Atlas" is. Essentially EVERY (paved) and most dirt roads in the state are shown. Shows state and federal lands, topographic details, recreation sites and GPS grids. Some other points of interest are also shown.

MLS PART NUMBER	PARTS DESCRIPTION	PRICE

GEOLOGY

Iowa Underground

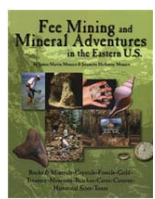

By Greg A. Brick, 222 pages, B&W - Softcover
What's under your feet in the state of Iowa. A lot more than you think. This book covers the caves, large mines and other oddities found underground in Iowa. With maps and lots of pictures. Copyright 2004.

MLS Part #: 901800 Price: \$18.95

Fee Mining & Mineral Adventures in the Eastern U.S.

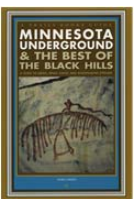

By Monaco, 264 pages, B&W - Softcover
Much more than a fee-mining guide, this unique book is a treasure trove on interesting things to see and do relating to rocks, minerals, gemstones, crystals, fossils, gold and other wonders of the earth. With 270 sites listed in 31 eastern states.

MLS Part #: 901400 Price: \$15.95

Minnesota Underground & the Best of the Black Hills

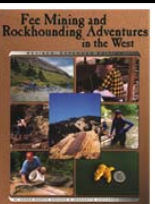

By Doris Green, 175 pages, B&W - Softcover
There are caves in Minnesota!!! This book reviews the major caves and mines in the area. Lots of maps and pictures. Also covers the topics of sinks and disappearing streams. Copyright 2003.

MLS Part #: 901900 Price: \$18.95

Fee Mining & Mineral Adventures in the Western U.S.

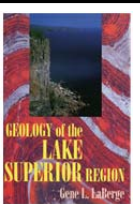

By Monaco, 240 pages, B&W - Softcover
Revised edition. Informative guide to over 94 collecting locations. Also includes 150 museums, caves, points of interest, fairs and festivals throughout the western states. Seasons, days and hours of operations are given.

MLS Part #: 901500 Price: \$15.95

Geology of the Lake Superior Region

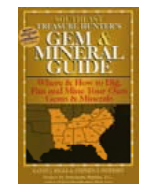

By Gene LaBerge, 313 pages, B&W - Softcover
A very well written book about why lake Superior is where it is. I use this book as the basis for lectures I give about the geology of the state of Minnesota. This book tells you why the Lake superior agate is found where it is found.

MLS Part #: 902200 Price: \$22.00

Treasure Hunter's Gem & Mineral Guides Series

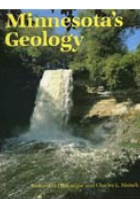

By Kathy Rygle, Approx 170 pages, B&W - Softcover
Newly revised, these guides offer state-by-state details on more than 250 gems and minerals the U.S. has to offer and affordable "fee-dig" sites where they can be found. Includes maps and illustrations and B/W photos. Also includes listing of annual "rockhound" events as well as a listing of museums and showplaces.

MLS PART NUMBER	PARTS DESCRIPTION	PRICE
901000	NORTHEAST U.S.A.	\$14.99
901100	NORTHWEST U.S.A.	\$14.99
901200	SOUTHEAST U.S.A.	\$14.99
