MLS stocks many different type of BULK (powdered) polishes for many types of rocks, tumblers and lapping devices. If you have a question call us, we will try to help in your selection of the correct polish.

**Please note our TXP polish. It provides a SUPERIOR polish for hard rocks (e.g. - agates, petrified wood, jaspers, etc.) in any type of rotary tumbler. It is a micron alumina product that is essentially non-toxic.**
